

Product data sheet

CONWAY Electric SUV "Cairon C 1.0 600" (#1)

Description

Do you want to get out and about - just set off, leave everyday life behind you and immerse yourself in nature? The "Cairon C 1.0" makes it possible. This E-SUV offers you a sporty and comfortable riding experience that is equally impressive on forest paths, gravel tracks and through urban landscapes. The geometry ensures direct

steering, stable directional stability and a relaxed riding position - perfect for active tours with lots of control. With 29" wheels, 120 mm Suspension Fork and a robust aluminum frame, you can roll over bumps with confidence.

The Bosch mid-motor with Smart System provides you with reliable power, the 600 Wh / 800 Wh Battery ensures a solid / good range, and the eMTB+ mode gives you an extra boost on the mountain. The Shimano 9-speed derailleur gears shift precisely, while hydraulic disc brakes grip securely - in every situation. Fenders and a permissible total weight of 140 kg make the bike suitable for everyday use - and thanks to Bosch PowerMore 250 compatibility, you are also ideally prepared for longer tours.
