

A woman wearing a light blue long-sleeved shirt, a white helmet, and sunglasses is riding a white bicycle. A young child wearing a grey shirt, green shorts, and a black helmet is sitting on the back of the bicycle. They are both smiling and splashing water. The bicycle has a black basket on the front. The background shows a modern building with large glass windows. There are decorative graphic elements: a yellow triangle in the top left and a pink semi-circle in the bottom right.

Qio

Models

Hiya! Do you fancy a smart compact bike?

Our QiO EINS is a compact e-bike for the city and countryside that has a lot to offer. Start your big or small adventures every day or on holidays with our bikes. Whether you choose the standard, plus or now as a brand new Cross version – our EINS is there for you.

Your QiO – handmade in Germany.

As Germany's leading compact bike specialist, we have created an amazing compact e-bike that can be used by practically anyone. Plus, you can choose from eight great frame colors. And everything is manufactured in high quality in Hoya on the Weser river.

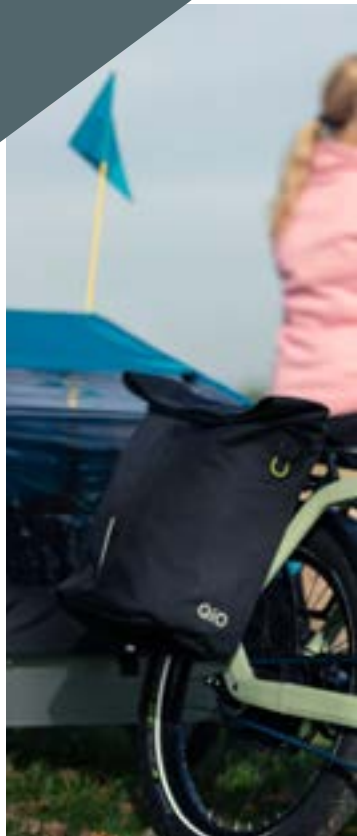

QiO is a breath of fresh air.

We want you to be happy and content when you're out and about with your QiO. And we don't just want this for you but for your entire family. Big and small, young and old, lightweights and heavier builds. Anyone with a height from 1.6 to 1.9 m can ride a QiO EINS.

Do you already know our accessories world?

The QiO EINS can be used as individually as you like. The accessories play a big role, because that's what makes the EINS to be yours. You can find the complete accessories range at **qio-bikes.com/en/accessories/** or in our great QiO catalog.

Our QiO Line Editions

The colour range of our QiO Line Editions was inspired in places near and far. The forest next door, Indian spice markets or the art gallery at the weekend - each of our e-bikes has its own unique story. Climb aboard and let your senses be enchanted - not only by the impressions, but also by our QiO models themselves!
