CONWAY Electric SUV "Cairon C 2.0 B" (#1)

Description

Do you fancy an active and sporty lifestyle? With our "Cairon C 2.0 B" you get exactly that! The Bosch mid-motor with 800 Wh Battery provides you with powerful support, while the low-maintenance belt drive and the Shimano "Hub" 5-speed hub ensure a smooth, clean ride. Bumps in the

Forest or cobblestones? The 29" wheels and 120 mm Suspension Fork simply bar them away.

The frame geometry puts you in a dynamic but relaxed riding position - with efficient pedaling, a good overview and stable control. This is ensured by the balanced tube length distribution and the well thought-out angle design. Even when riding fast or fully loaded, the bike remains confident and directionally stable.

Practical: the Battery can be easily removed from the top. With the HTM 2.0 front carrier mount, BCM module and Range Extender ready, you are flexible for touring, commuting or shopping. A real SUV bike for anyone who wants to live an active life - without compromise.
