CONWAY Electric SUV "Cairon C 2.0 " (#1)

Description

Do you want to get out and about - on gravel, through the forest, on country roads? The "Cairon C 2.0" takes you wherever riding fun begins. As an SUV e-bike for sporty beginners, it offers you a dynamic, comfortable ride with direct handling and stable geometry. The riding position is active and relaxed at the same time - ideal for longer tours and spontaneous excursions.

With 29" wheels, 120 mm Suspension Fork and a robust aluminum frame, you can roll confidently over uneven paths. The Bosch mid-motor with Smart System provides you with reliable power, the 800 Wh Battery ensures a long range and the eMTB+ mode gives you an extra boost on the mountain. The Shimano 10-speed derailleur gears shift precisely, while hydraulic disc brakes provide a secure grip. Fenders and a permissible total weight of 140 kg make the bike suitable for everyday use - and thanks to Bosch PowerMore 250 compatibility, you are also ideally equipped for longer distances.
