

Product data sheet

CONWAY Electric MTB hardtail "Cairon S 4.0 " (#1)

Description

The "Cairon S 4.0" is your sporty introduction to e-MTB riding - direct, comfortable and versatile. The balanced geometry ensures agile handling and a central riding position that gives you confidence on winding forest trails, gravel tracks and easy terrain. You can feel how the bike works with you - uphill with powerful thrust, downhill with confident control.

The 29" wheels and 120 mm Suspension Fork absorb bumps effortlessly, while the aluminum frame remains stable and light. The Bosch mid-motor with Smart System provides you with reliable power, supported by an 800 Wh Battery and the eMTB+ mode for dynamic support. The Shimano 10-speed derailleur ensures precise gear changes, while hydraulic Disc Brakes provide safe braking performance. And thanks to Bosch PowerMore 250 compatibility, you can easily extend the range if required - for longer tours and more freedom on the go.
